

UEMS

University Express Mail Service

UEMS is a university shipping solution that allows universities to send and receive documents. In addition, students can also use UEMS to send documents to their university, pay for shipping labels for documents sent by the university or send documents to the United States Citizenship and Immigration office.

What can you ship?

- » Critical documents like: I-20s, DS-2019s, OPTs, transcripts, diplomas, EAD cards and more.

UEMS Features:

- » Students can pay for their own shipping
- » Discounted shipping rates with FedEx, UPS, DHL and USPS

UEMS Features (Cont.):

- » Compare carrier rates
- » Eliminate payment & invoicing hassles
- » Auto-generated shipping labels created by students ensures accuracy - just click and send
- » Easy-to-use reporting tools - search by student name, date of birth or tracking number
- » Online solution - no installation
