

UEMS Product Brochure

What is UEMS?

UEMS – UNIVERSITY EXPRESS MAIL SERVICE

UEMS is our university shipping solution that allows universities and students to send and receive documents, books, luggage, diplomas, gifts, personal items, and so much more as long as it weighs less than 150 pounds. It makes shipping to and from international students easier and more efficient.

Key Features and Benefits of UEMS

- Students pay for their own shipping (optional)
- Batch print shipping labels
- Ship to embargoed countries
- Discounted shipping from trusted carriers
- Online solution – no download or installation necessary
- No setup or recurring fees – it is free to use!
- Ship absolutely anything as long as it is less than 150 pounds!
- Superior Support Proactive shipment monitoring – eShipGlobal's support team actively monitors shipments, preventing shipments from being lost, delayed or returned.

A blue circle containing the word "Sunapsis" in white text.

Sunapsis

UEMS' integration with Sunapsis allows international student professionals to save more time and money.

A blue circle containing the words "Terra Dotta" in white text.

Terra
Dotta

UEMS' integration with the Terra Dotta Connect Program enables the transmission of shipping documentation, status and more.

A blue circle containing the word "Slate" in white text.

Slate

UEMS' integration with Slate allows eShipGlobal to automatically deliver shipment data to your institution's database.

UEMS Goes International

Now anyone around the world can ship anything to anywhere using UEMS!

International students and International universities can easily use UEMS for all of their shipping needs.

OPTIONAL PRACTICAL TRAINING

UEMS can also help your students save money when applying for Optional Practical Training.

COLLEGETHINK

CollegeThink is an initiative of eShipGlobal and strives to provide resources and connections to advisors, students and international students. Check out all the programs within CollegeThink!

Optional Practical Training

SAVE TIME & MONEY

Discounted rates for expedited shipping that will deliver your package in 1-3 business days using trusted carriers like UPS, FedEx and USPS!

RELIABILITY & SUPPORT

Our customer service team will coordinate with carriers to ensure your application is delivered on time.

CONVENIENT

The addresses to the USCIS offices are pre-loaded into UEMS.

CollegeThink

UEMS CONNECT

UEMSConnect is the social community part of CollegeThink. It is designed to connect students and advisors through shared experiences and stories. That is what the UEMS in UEMSConnect stands for: University Experience Made Social

ADVISORS- IN-THE- KNOW

The Advisor-in-the-Know helps international student advisors to learn from the other advisors about career advice and best practice information.

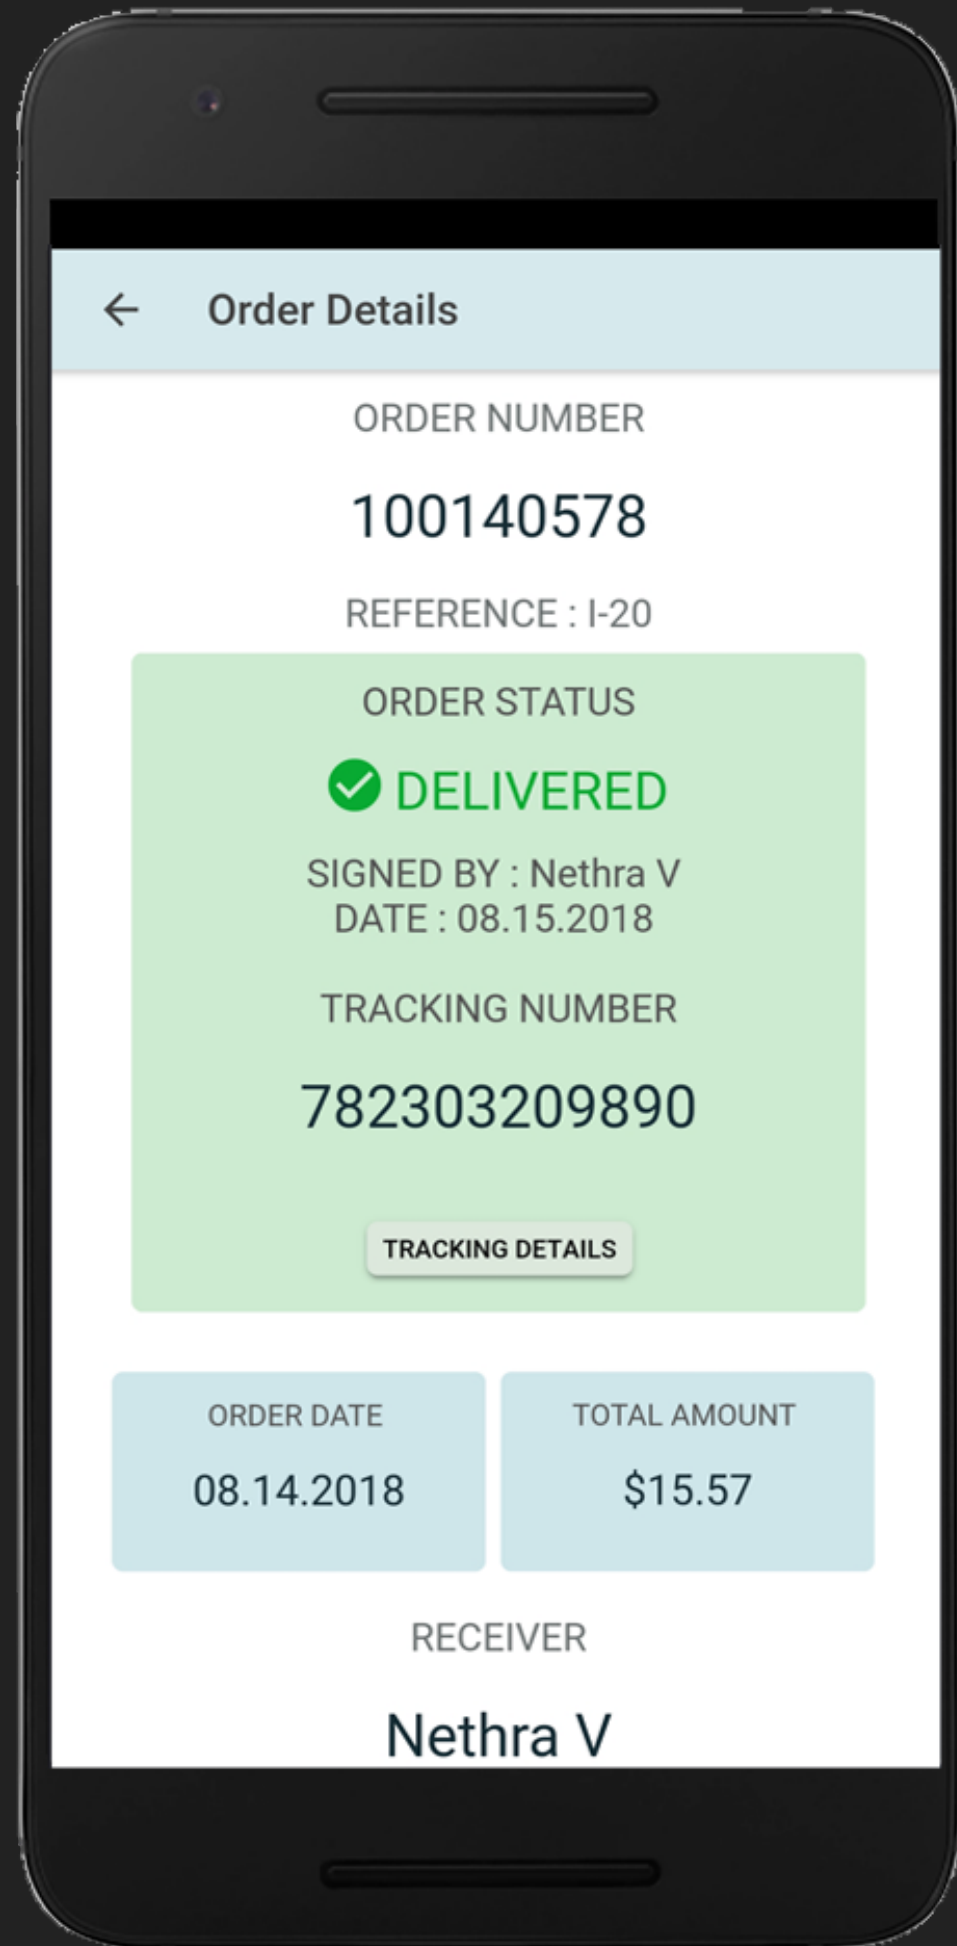

BUSINESS PARTNERSHIPS

We partner with various businesses in order to provide more services and products that may help students and universities.

INTERNATIONAL STUDENT JOB SEARCH

Job Search is designed to help international students and scholars find jobs at companies known to hire and/or sponsor international students.
